Hiring Manager
TikTok
2222 e cr drive
Seattle

Dear Hiring Manager,

I am writing to express my interest in the Frontend Software Engineer position at TikTok as advertised. With a Bachelor's degree in Computer Science and over 3 years of experience in frontend development, I am excited about the opportunity to contribute to TikTok's mission of inspiring creativity and bringing joy through innovative e-commerce solutions.

My experience includes working closely with cross-functional teams including Product Managers and Designers to develop user-centric applications. I have a strong proficiency in JavaScript, HTML, CSS, and frameworks like React and Angular. I have successfully resolved browser compatibility issues and optimized front-end performance to enhance user experience.

I am particularly drawn to TikTok's commitment to inclusivity and diversity. I believe that a diverse workforce fosters creativity and innovation, aligning with my own values of collaboration and respect for different perspectives. I am eager to contribute to TikTok's inclusive culture by bringing my unique skills and experiences to the team.

Moreover, the opportunity to work on projects that drive impact both internally within the company and externally within the communities served by TikTok is truly motivating. I am excited about the prospect of joining a team that values continuous learning, innovation, and growth.

I am confident that my technical skills, collaborative approach, and passion for frontend development make me a strong fit for this role at TikTok. I am enthusiastic about the possibility of contributing to TikTok's e-commerce ecosystem and helping shape its future growth.

Thank you for considering my application. I look forward to the possibility of discussing how my background, skills, and enthusiasm align with the needs of TikTok's Frontend Software Engineer position.

Warm regards,

Reed O Vogt
