TikTok [TikTok Address] [TikTok City, State, Zip Code] Dear Hiring Manager, I am writing to express my interest in the Frontend Software Engineer position at TikTok as advertised. With a strong background in software development and a passion for AI technologies, I am excited about the opportunity to contribute to TikTok's innovative e-commerce ecosystem. My experience as a Seattle-based Full Stack Developer, specializing in JavaScript, React.js, Node.js, and Material Design aligns well with the qualifications sought for this role. I have successfully led the development of projects such as the Enhanced Card Store, where I enhanced user interaction and commercial functionality through technologies like MongoDB and React.js. I possess expertise in HTML5, CSS, JavaScript, TypeScript, SQL, as well as familiarity with AI model training techniques and data processing. Additionally, my experience with AWS services, Node.js, Express, MongoDB, MySQL, PostgreSQL, Jest, Docker, React Native and Material Design make me well-equipped to contribute effectively to TikTok's frontend software engineering team. My educational background includes a Certificate in Advanced Software Development in Full Stack JavaScript from Code Fellows and coursework in Psychology from Willamette University. Furthermore, my professional experience at Pagliacci Pizza and Amazon Warehouse has honed my skills in streamlining workflows for improved efficiency. I am particularly drawn to TikTok's mission of inspiring creativity and bringing joy through its platform. I am eager to bring my technical skills and passion for innovation to contribute towards driving the future of e-commerce at TikTok. Thank you for considering my application. I look forward to the opportunity to discuss how my skills and experiences align with the needs of TikTok's frontend software engineering team. Please find my resume attached for your review. Warm regards, Reed O Vogt
